Assignment

8-BEE Team Guidelines

1. Google Classroom

All Bee teachers will be utilizing Google Classroom this school year to post announcements and assignments. Your teachers will discuss this further in class.

2. ** Assignment Policy **

A. Teachers will post assignments in their classrooms.

B. Students are expected to come to school with all assignments completed. Electronic assignments may be checked prior to class by your teacher. Paper assignments will be checked by your teacher at the beginning of class. **No** credit will be given for late or incomplete assignments. If you are absent, it is **your** responsibility to determine the assignments missed and submit them at an agreed upon time between the student and teacher.

C. Because of the science/social studies A/B schedule, assignments are expected to be completed on the day the assignment is given. For example: If a student has science on an A Day and is absent on his/her social studies B Day, the science assignment is still expected to be handed in on time.

3. Study Hall

Study hall is an academic period. **This is a time to work on school assignments.** This is not a time for socializing, but for academic preparation. Please bring all necessary materials with you to study hall.

4. Locker Policy

Lockers are available at the beginning and end of the school and before and after lunch only. Remember to gather all books, supplies, and personal items at these designated times. Students are not permitted to go to their lockers during class.

5. Parent Portal/Student Portal

Parent and Student Portals are both online MARSD resources. These services allow parents/guardians and students to regularly monitor student grades. Test, project, quiz, and assignment grades will be posted by teachers in a timely fashion.

These sites can be accessed through the MARSD homepage. If you have any difficulty accessing either portal, please contact our 8th grade counselor, Mrs. Lyttle (Waldron) at awaldron@marsd.org.

6. Projects/Reports

Teachers will specify the dates and times that a project or report is due. Any project/report handed in up to one day late will receive an automatic deduction of 10 points. **Any projects/reports received after one day will receive an automatic zero.** Copying or sharing information from any person/source without crediting the source(s) is plagiarism, and will result in a zero for that assignment as well as disciplinary action according to the MAMS Code of Conduct.

7. Technology

You must come to school with a fully charged Chromebook. No computer related excuses will be accepted for late assignments. Manage your time effectively so that you can notify your teacher of any connection or log-in difficulties. Such issues will not excuse the assignment from being handed in on-time.

Cell phones and ear buds are not permitted to be used during the school day, unless specified by your teacher. Otherwise, they should remain unseen and unheard.

**BEE STUDENTS ARE COOPERATIVE, FRIENDLY,
RESPECTFUL, RESPONSIBLE AND READY TO LEARN**

Chance to BEE a Winner

Throughout the school year, the Bee teachers will “bee” looking for opportunities to award BEE CHANCES. Students who exhibit positive 8 BEE behavior will be eligible to receive these chances. Each month, these chances will be used to enter our team raffle for an “un-beelievable” prize.

Student of the Week

Teachers will also select several students who exhibit BEE behaviors each week.

Students of the Week will receive:

- A certificate
- A ticket for a second team raffle exclusive to students of the week

Dear Parent/Guardian,

Please use the link [here](#) to indicate that you have read and discussed the entire 8 BEE Team packet with your child and to answer a few additional questions to help us get to know your child. Kindly complete by Friday, September 17.

Thank you,

The 8 BEE Team
