

Join the Lloyd Road School PTO

More Important this Year than Ever Before!

2020 has been challenging, bringing us a dynamic school year. Right now, it is essential that we maintain the connection between family and school when so many of our children don't set foot inside. We do this with the PTO, a group of parents, educators, support staff and administrators that work together toward the common goal of creating a better school and educational experience.

Please support us with your membership, your ideas, and your volunteer time, so that we can all maintain contact, have safe socially distant events, and enhance programs through this crisis.

TO JOIN:

****FIRST:** Fill out the form at <https://forms.gle/WJukWWXf1Ca93KT89>
