Dear Parent/Guardian:

We are excited to announce that we have extended the functionality of our Parent Portal. The Parent Portal now has a section for Food Service that will allow you to perform the following tasks:

- Check your child's account balance
- View your child's purchase history
- Restrict items that your child can purchase
- Add money and make payments to your child's account using a credit/debit card
 - ✓ Please note, a service charge of \$1.50 will be charged to your credit/debit card for each transaction. To avoid multiple transaction charges, be sure to link your children together in the portal from the "My Account" button.

To access these new features:

1. Log into the Realtime Parent Portal. The link for the Parent Portal can be found on our website, <http://marsd.org> or directly at <http://fridayparentportal.com/matawanaberdeen>
2. Click on the "Food Services" button. See image below.
