

Quick Start Guide

Kindergarten Student Learning Center

The Student Learning Center is a digital resource for students to access activities, explore with eTools, get assignments, play games, and much more.

Students will find lesson resources from the *My First Math Book*, *Activity Cards*, *Activity Sheets* (from *Math Masters*), the eToolkit, games, EM at Home (including Home Links and Family Letters), customized assignments, and more!

Regular Login

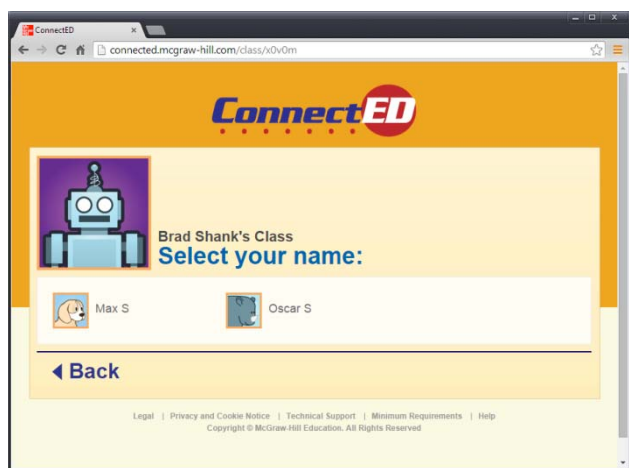

For regular login, students should visit connectED.mcgraw-hill.com and type in their username and password. Once students log in, they click on the *Everyday Mathematics* icon from the list of content.

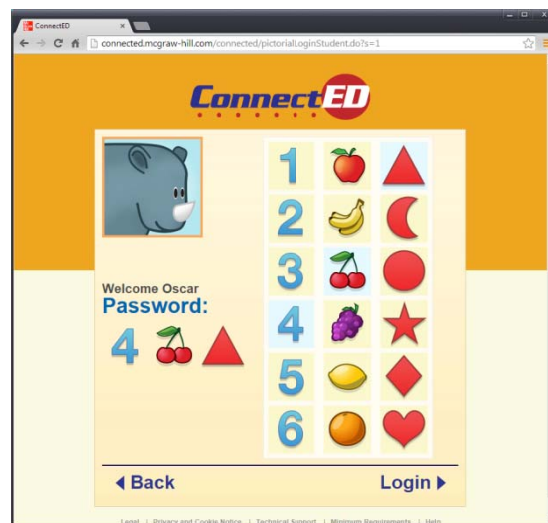

Simplified Login

Students can also access the Student Learning Center using a simplified login process. (More information on teacher-side setup is available in the Quick Start Guide: Teacher Center Set Up.)

Once simplified login is set up, students go directly to the student login URL, select their class and then their name, and enter their password—and they go directly to the Student Learning Center.

Student Learning Center: Landing Page

Landing Page

However they login, every time a student logs in he or she sees the lesson landing page. The landing page always shows today's lesson. The teacher sets up which lesson is for today.

The screenshot shows the Everyday Mathematics landing page for Lesson 3-12, titled "Monster Squeeze". The page features a central banner with a train illustration and a sidebar of navigation buttons. Callout boxes provide detailed explanations for each button and feature.
