To the Parents/Guardians of a Student Athlete:

In order for high school and middle school students to participate in a sport, color guard, winter guard, challenger, intramurals or Special Olympics programs, they must have an athletic physical packet on file with our offices.

All athletic physicals must be completed by your son or daughter's personal physician.

There are 2 parts to completing the Athletic Physical Packet process

- **Step 1** – Turn in an up to date Athletic Physical completed by your personal physician to the School Nurse. (Specific Athletic Physical Paperwork for Physicians to sign off on can be found within “Family ID”.) Athletic Physicals expire after 365 days. **Be sure to access the parent portal to check and see if your son or daughter has an up to date sports physical on file and the corresponding expiration date.**
- **Step 2** – Register in “Family ID” before the start of each season. (Summer registration takes place in April, Fall registration takes place in July, Winter registration takes place in October, & Spring registration takes place in January) If you are a 3 sport athlete, you will have to register in Family ID 4 times.

Our district utilizes “Family ID” to house all of the required paperwork in our athletic physical packet. This year the “Family ID” link will open on **April 15th** for registration for Summer participation. It is required that your son or daughter have an up to date sports physical on file with the School Nurse and a completed athletic physical packet in “Family ID” by **June 5th** to be cleared for athletic participation during the Summer months.

Following Summer registration, it is required that before each Sports Season (Fall / Winter / Spring) that registration through “Family ID” be completed again.

The deadlines for each Sports Season are:

Summer – Family ID Link opens April 15th / Deadline for registering – June 5th

Fall – Family ID Link opens July 8th / Deadline for registering – August 2nd

Winter – Family ID Link opens October 1st / Deadline for registering – November 6th

Spring – Family ID Link opens January 15th / Deadline for registering February 25th

All athletic physicals must be completed by your son or daughter’s personal physician.

Family ID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs more efficiently. When families register through Family ID, the system tracks your information in your Family ID profile.
