

Ravine Drive Elementary PTO

TOGETHER WE CAN ACCOMPLISH MORE.

WHAT IS OUR GOAL?

Our goal is to foster a nurturing and caring environment that strives for continued parent involvement in helping build a better educational environment for our children.

WHAT DO WE DO?

BUILD

We build strong relationships between parents, students and staff through regular meetings and family engagement activities.

STRENGTHEN

We fund and support various educational tools to enrich student experience.

SUPPORT

We support teachers, staff and students by filling in the funding gap for additional classroom needs, library needs, supplies and educational trips and assemblies.

HOW CAN WE EFFECTIVELY REACH OUR GOAL?

- We are only as strong as our volunteers. Your support is needed to make it happen!
- We will have to get creative this year to ensure all of our students are included, no matter the distance.
- We will need to strengthen our online presence via Zoom, Facebook, our PTO website and many other ways.
- We need to explore new ways to fundraise to ensure that we can continue to provide quality curriculum and enhanced programming.

Most of all, we will need your patience, and understanding as we all try to navigate the new norm...

Ravine Drive Elementary PTO

TOGETHER WE CAN ACCOMPLISH MORE.

HOW DO WE MAKE THIS HAPPEN?

Throughout the school year, we raise funds with the help of our Ravine Drive Elementary families, teachers and community. Fundraising drives, dine-out evenings, Box Tops for Education, Spirit Wear drives, and plant sales help us meet our goals. We have opportunities to match the amount of time you can give. Just two hours of your time will help us reach our goal!
