July, 2015

Dear Parents and Guardians,

For the past two months, July 1, 2015, was joyously on my mind. That day marked my first day as Superintendent of the Matawan-Aberdeen Regional School District! I am humbled by the opportunity to serve this wonderfully diverse community. I am excited to work with such a dynamic group of board members, teachers, and support professionals. I am looking forward to partnering with parents and guardians, along with the many groups they support, for our children and young adults. We will vigorously work together to ensure each one of our children and young adults receives everything they need to meet with success in life.

Over the course of the next two months, I will be meeting and visiting with the community as a whole. The result of which will be the beginning of a district strategic plan. A strategic plan that will provide a roadmap for the continued success of the Matawan-Aberdeen Regional School District.

Thank you all for the opportunity to become a part of the Matawan-Aberdeen community. I hope this summer brings each of you an opportunity to relax and enjoy the company of those that matter most to you. Have a great summer and I look forward to seeing everyone in September!

Sincerely,
