PM Wrap Program 11:10-2:30

AM/PM Fees

Fixed Days Per Week	Monthly Fee	Qualify for Free/Reduced
3 Days	\$150.00	\$135.00
4 Days	\$175.00	\$158.00
5 Days	\$200.00	\$180.00

Benefits

Reinforcement of the skills that are taught in the Preschool:

- ◆ Social Interaction
- ◆ Verbal Communication
- ◆ Social Development
- ◆ Physical Development

Studies suggest that high-quality programs for young children produce significant long-term benefits because they provide children with significant learning opportunities and involve parents as full partners in supporting their children's development. Quality interactions such as these shape children's brains and design the neural architecture that will influence how they will handle all future experiences.

Studies indicate that even students who are far behind at entry to preschool can develop vocabulary, math, and literacy skills that approach national norms if provided with extended-duration preschool that maintains reasonable quality standards.

Framework of the Day
