May 2016

Dear Parent/Guardian:

The Matawan-Aberdeen Regional School District is pleased and proud to introduce the new PAW (Preschool and Wrap) program for our Cambridge Park Preschool students. This program is a tuition based program that is a complement program to our present half day preschool instructional offering. As a result, parents will now have a full day program for the students that will run 8:50 am to 2:30 pm.

The PAW program is an independent program from the instructional half day preschool. The program will complement and reinforce the themes and skills taught in the regular classroom environment. It will be housed at Cambridge Park. Supervision and oversight will take place with PAW staff under the guidance and direction of the Matawan-Aberdeen Regional School District Administration.

The program will include whole group, center activities, as well as lunch and rest periods. Breakfast and lunch will be available for purchase each day.

Please find the attached rate schedule and registration form. This program is available on a first come first served basis and will only accommodate approximately 15 AM and 15 PM PAW students for the 2016-2017 school year.

Sincerely,

A handwritten signature in black ink, appearing to read "Dr. Jones".
