YMCA OF GREATER MONMOUTH COUNTY COUNSELING & SOCIAL SERVICES

The Y is the nation's leading non-profit strengthening communities through youth development, healthy living and social responsibility. Every day, YMCA of Greater Monmouth County works side by side with our neighbors, community partners and volunteers to ensure that everyone, regardless of age, income or background, has the opportunity to learn, grow, and thrive.

Since 1974, our Y has been helping families in Monmouth County and throughout the state of New Jersey through our Counseling & Social Services. We offer a variety of programs for youth and families to support them through difficult situations and times of transition. Programs are designed to meet the ever-changing needs of the community and provide safe, confidential services which strengthen family life and individual growth.

Our team of caring and certified Y professionals are licensed to serve as counselors to youth and families, specializing in Social Work, Clinical Counseling, and Alcohol and Drug Counseling.

In addition to Counseling & Social Services, YMCA of Greater Monmouth County provides preschool programs, before and after school care in over 30 schools across Monmouth County, teen leadership activities, summer camp and health and wellness membership at our facilities in Red Bank, Freehold and Old Bridge.
