Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student's SGP falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short [video about Student Growth Percentiles](#) that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

Student Growth

This table shows the median Student Growth Percentile (mSGP) for both English Language Arts/Literacy (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grade 5, grade 8, and grade 11 were administered the NJSLA-Science field test in 2017-18.

NJASK Science Assessment Information

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

Incident Type	Number of Incidents
Violence	15
Weapons	1
Vandalism	0
Substances	8
Harassment, Intimidation, Bullying (HIB)	12
Total Unique Incidents	36

Harassment, Intimidation, Bullying (HIB)	0
Other Incidents Leading to Removal	2

Harassment, Intimidation, and Bullying (HIB) Investigations

This table shows, by the nature of the incident, the number of alleged and confirmed Harassment, Intimidation, and Bullying (HIB) investigations. The nature of an incident is based on the protected categories listed below, and the nature of a single HIB investigation may include multiple categories. All confirmed incidents must have an identified nature.

HIB Nature (Protected Category)	HIB Alleged	HIB Confirmed	Total HIB Investigations
Race	2	1	3
Religion	1	0	1

Student Disciplinary Removals

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

Removal Type	Number of Students	Percent of Students
In-School Suspensions	42	4.8%
Out-of-School Suspensions	39	4.4%

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio
2017-18	1:1

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' [User Friendly Budgets](#), or the NJDOE Finance [District Report Search](#) of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these [accountability resources](#).

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
No	n/a	n/a

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these [accountability resources](#).

Accountability Indicator	Score	Weight
English Language Arts Proficiency	66.23	17.5%
Mathematics Proficiency	55.69	17.5%
English Language Arts Growth	79.56	25.0%
Mathematics Growth	73.77	25.0%
Progress Towards English Language Proficiency (coming 2018)	**	**
Chronic Absenteeism	33.33	15.0%
Summative Score: Sum of all indicator scores multiplied by indicator weights	64.67	n/a
Summative Rating: Percentile rank of Summative Score	72.87	n/a
Requires Comprehensive Support: Summative Score is in the bottom 5th percentile	No	n/a

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Support will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these [accountability resources](#).

 <p>Highlights:</p>	<ul style="list-style-type: none"> • STEAM Initiative for all students Grades 6-8 including: STEAM Experience 1, STEAM Experience 2, Computer Science/ Coding and Project Lead the Way • Special Education Programs which includes an Autism program, a program for students with Multiple Disabilities and a LLD Program. • In an attempt to ease the transition from Lloyd Road, students are introduced to "The MAMS Experience" during the spring semester. This allows students to become familiar with school expectations.
 <p>Mission, Vision, Theme:</p>	<p>"The MAMS Experience": an emphasis on hard work, high expectations with student ownership of those expectations, exposure to rigorous curriculum in all areas, and a focus on social and emotional development that enhances a student's ability to be an integral member of a global community.</p>
 <p>Awards, Recognition, Accomplishments:</p>	<p>MAMS boasts an award winning chorus with recent accomplishments including a superior rating and 1st place in the following categories at the Music in the Parks competition: Vigoroso (men's select ensemble), and Dolce (women's select ensemble). Additionally the Dolce choir was given the highest score of the entire competition and was recently chosen to perform in the Joy to the World concert at the Count Basie Theater with the Monmouth Civic Chorus and full orchestra. Members of the MAMS STEAM Committee recently had the opportunity to present and lead a panel discussion at the 2018 NJ Science Convention.</p>

Courses, Curriculum, Instruction:

MAMS operates on an A/B Day Block Schedule with 74 minute class periods. Advanced courses in English Language Arts and Mathematics are available for students as early as 7th grade taking Algebra I. The STEAM Experience has been added for students in grades 6-8 for the 2018-2019 school year and students have the option to enroll in our Band and/ or Chorus Program during their study hall. In addition to the core academic subjects of Science, Social Studies, Mathematics, and Language Arts, our students study World Languages and exploratory arts.

Sports and Athletics:

Sports Offered: Baseball (Boys), Basketball (Boys & Girls), Cross Country (Boys & Girls), Field Hockey (Girls), Soccer (Boys & Girls), Softball (Girls), Track and Field - Spring (Boys & Girls), Wrestling (Boys & Girls)

The Matawan Aberdeen Middle School offers a Challenger Sports Program competing against area schools in soccer, basketball, flag football, basketball and bowling. Additionally students at MAMS have the ability to compete at both regional and state sanctioned competitions for the Special Olympics.

Clubs and Activities:

MAMS offers over 25 co-curricular clubs and activities for students to participate in including: Art Club, African-American Student Union, Band, Chorus, Chess Club, Environmental Club, Literary Art Magazine, Math Club, Multicultural Club, National Junior Honor Society, Peer Buddies, Peer Leadership, Student Council, and Willow Tree. Students are encouraged to participate in an after-school program and the district provides transportation for all students who stay after school. Over 35 clubs and activities are available for students after school, including both competitive athletics and intramurals as well as co-curricular activities.

Before and After School Programs:

Matawan-Aberdeen Middle School offers a number of after-school programs that provide students with academic, behavioral, and emotional support. Our Academic Assistance Program and M.O.S.T. (Mentoring Our Students Together) offer support to students in all subject areas and includes a partnership where high school students earn community service hours.

Staff and Professional Learning:

Staff participate in three full days of professional development as part of our effort to continue life-long learning. During these days, conversations revolve around the use of data to drive instruction, improving school climate, and supporting struggling learners. Additionally, staff are encouraged to participate in trainings offered outside of the district which are then "turn-keyed" during monthly department meetings.

Student Supports and
Services:

The Matawan Aberdeen Middle School has three full time school counselors, a school psychologist, learning disabilities teacher consultant and a social worker on staff. Additionally the middle school has partnered with Effective School Solutions and The Community YMCA to provide additional social and emotional supports for students.

Student Health and
Wellness:

Students participate in Health/ Physical Education every other day for 74 minutes where the focus is on life-long fitness. Students are assigned a fitness task each day with the goal of improving both their strength and cardio-vascular endurance. Additionally, the Matawan Aberdeen Middle School offers a "Breakfast Before the Bell" program for students to ensure the opportunity for all students to be well nourished before the start of the school day.

Parent and Community
Involvement:

MAMS has a PTSO that meets once a month and holds numerous programs throughout the year. They work tirelessly to fund raise and provide assemblies and extracurricular programs for all students that exist outside or the traditional budget process. MAMS staff frequently apply for grants through the Matawan-Aberdeen Educational Foundation and have been provided with funds to bring in special assemblies, programs as well as new technology and equipment for student use.

 <p>Facilities:</p>	<p>MAMS utilizes a "pod" organization where grade levels are housed separately from each other. This allows for students classes to be based in close proximity to each other. Recent facility upgrades include the addition of a Life-Skills room to be utilized by both the Autism and Multiple Disabilities programs. MAMS is also in the middle of a major HVAC overhaul which will bring a controlled climate to the entire building by the end of 2019.</p>
 <p>School Safety:</p>	<p>In addition to the state required security drills each month, the school administration works closely with both the Aberdeen and Matawan Police Departments in conjunction with the Districts Student Resource Officer to conduct security walkthroughs of the campus on a regular basis. Additionally, the school visitor policy has been updated and all visitors must enter through a security vestibule where their identification is verified through a national security database prior to being granted access to the campus.</p>
