Join Us For Parent Night: Raising Resilient Youth

NJ4S COMPASS - Monmouth Presents:

Raising Resilient Youth was developed by the Society for the Prevention of Teen Suicide (SPTS). This presentation will help you safely address topics such as mental illness, suicide, and substance use with your child. The presentation also addresses the importance of talking to your child about identifying "Trusted Adults" in their life.

Participants will also learn how to access resources and services mental health and substance use.
