Board of Education Meeting
September 29, 2020

Michele Lasko:

At 8:56am this morning, my Student called to yet again advise me they were met outside the class to have an escort by security to the ladies room.

This has been addressed at several board meetings as well as in my conversations with Dr. Majka and Mr. Eyler, this is unnecessary for Senior students and would no longer be taking place. Is that still the case? If it is, I would appreciate someone making sure the teachers and security were aware of this to avoid any further embarrassment for the students.
