November 2019

Dear Members of the MARSD School District Community:

As President of the Board of Education and Superintendent of Schools, it is our pleasure to invite you to participate in our Strategic Planning Renewal Committee. This committee will be a focused group of 40 or more community and school leaders. We will work together to identify both the strengths of the school district (those special attributes that we can build on as we move into the future) and the critical issues that we will face (the challenges that the district must be prepared for in the future).

This group will meet for two **Strategic Planning Goal Setting Renewal Days** on **Friday, March 20, 2020** from **6:00 PM** to **9:30 PM** and **Saturday, March 21, 2020** from **8:30 AM to 3:00 PM** at **Matawan Regional High School**. We will work in both small and large groups, and discussion will lead us to a consensus document that will develop goal areas focusing on the future of our schools. The Board of Education will use this document to help shape strategic goals for the district as we move forward.

Prior to our March Strategic Planning Goal Setting Renewal Days, we invite you to attend our **Strategic Planning Community Information Sessions** taking place on **December 11th *or* December 12th** at **7:00 PM** at **Matawan Regional High School**. We are reaching out to the leaders within our community representing all constituencies, including teachers, administrators, municipal leaders, community members, parents, senior citizens and students.

We hope that you will offer to participate and will encourage others to do so. If you are available and can commit to both dates, we would be honored to work with you on this critical vision-setting project. Please complete the [MARSD Strategic Planning RSVP - 2019-2020 CLICK HERE](#) to let us know if you will be able to join us in this exciting and important opportunity to assist in shaping the future of the Matawan-Aberdeen Regional School District.

Sincerely,

*Allison Friedman*
