Dear Parents/Guardians of the Class of 2019,

We are excited to announce the venue for the MAMS promotion ceremony will be at Brookdale Community College in the Robert J. Collins Arena on **Monday, June 24, 2019 at 2:00pm**. This climate-controlled arena will allow us the optimal environment to celebrate the promotion of your children. In addition, and more importantly, weather will not play a factor as it pertains to the ticket allocation. All students will receive six tickets for the ceremony. Here is some important information about the ceremony and venue:

For Students:

Commencement is a great milestone in the life of a student and is also a privilege to attend. It is also a very special day for parents/guardians and family members. We expect respectful and responsible behavior throughout the ceremony. Below are a few guidelines for students:

- Students need to be at the arena by 1:15pm in the auxiliary gym. Chaperones will be there to direct students. Please be prompt as we have to organize our lines for the processional.
- Students must leave all electronic devices at home or with their parents.
- Students must abide by the dress code including proper foot wear.
- Students are expected to remain a respectful audience throughout the ceremony.
- Students will receive their diploma in the auxiliary gym immediately following the ceremony and then are free to leave with their parents. We will have chaperones at each line with the diplomas to expedite the process.
- It is important that we are efficient in distributing the diplomas after the ceremony as the high school will be entering for their ceremony by 4:00pm.

For Parents/Guardians:

- The ceremony will last approximately one hour.
- All guests must park in Lot #6.
- Doors will open for the event at 1:15pm.
- You will receive six tickets to the event.
- We cannot honor requests for additional tickets.
- Tickets are not numbered, the event is open seating.
- **If you are unable to transport your child to the arena, please contact my office at 732-705-5400 no later than May 16th.**

Please refer to our web page www.marsd.org for additional information regarding directions, parking, handicapped seating, floor plan, restrooms, etc. We look forward to sharing this special moment as our students close this chapter of their academic career. If you have further questions or concerns, please contact me at 732-705-5400 or email mamsinfo@marsd.org.

Sincerely,
